19:00	Opening	Inspection, Grand Howl, Flag Break Duty Six: Red
19:05	Game Active <i>Indoor</i>	Cub Killer Leaders pass a ball, between themselves, as per netball. Leaders must hit cubs with the ball. Cubs can have multiple (say 3) lives. When all lives exhausted, cub must sit out remainder of game. Last cub in is winner.
19:15	Game Active Ball Throwing & Catching <i>Indoor/Outdoor</i>	Catch Players in two (or more) teams, half of each team at either end of playing field and approx. 30 metres apart. Place a hoop half way between each team and place a ball in each hoop. On the signal, the first member of each team runs to the hoop, picks up the ball and throws it, from the hoop, to the player at the other end, then runs to the back of the line at that end. The player with the ball, runs up and places it back in the hoop, then joins the end of the other half of the team. As soon as the ball is placed back in the hoop, the next player takes off and throws as for the first one. Teams keep going until they are back in their original position and each will have thrown, caught and replaced the ball at some time during the game.
19:25	Game Active <i>Indoor</i>	Pass the Ball Pack in two teams. One team in a small circle with a bean bag, the other team in a large circle with a ball. In the small circle, the bean bag is passed around while the Cubs count for every one who handles the bean bag. The large circle has a Cub in the centre, with a ball which (s)he throws to each Cub in the circle in turn. When the ball has been around the circle, they call "Stop". Teams change over and the team counting to the highest number wins.

Noisy object (cluster of bells, keys etc.—the Red Flower) in centre of hall. Cub who is not blindfolded must walk from the perimeter of the hall to the centre, retrieve the 'noisy object', and return to the perimeter without being heard and touched by one of the blindfolded cubs. Blindfolded cubs may reach out with their hands if they hear a noise near by, and try to touch the cub who is trying to steal the Red Flower. They cannot reach out at random—there must be a noise, or reason to reach out. They can also only sweep their hands around once, then must return them to their laps and wait again.

Blind Bats

A ball is placed some distance away from each Six. The members of each six, who are standing in relay lines, are then blindfolded. Each Six member, in their turn, walks to where they think their ball is, and sits down.

When all Six members are seated, the Six that is nearest their ball (as a team) wins.

Fruit Salad

Cubs in two teams, seated on floor facing each other, with legs outstretched and feet touching. Each pair is given the name of a piece of fruit. Leader then recounts a story that mentions all the pieces of fruit (several times). As each piece of fruit is mentioned, the Cubs assigned that name stand up, run behind the Cubs in their team to the end of the hall, then, stepping over the outstretched legs of the Cubs still on the floor, return to their place. If the leader mentions Fruit Salad, all Cubs get up, run to the end of the hall then return to their respective places, hopping over the legs of any Cub already in place as they return.

Pony Express

Sixes in relay formation. On the signal, each Cub must tie a clove hitch around the leg (or bowline around the waist) of the Cub in front of them, grip the free end of the rope in one hand and raise the other in the air. When all hands are up, the Six races to the end of the room and back, without losing grip of any rope or having any knots come untied. The first Six back, standing at attention in a straight line, is the winner.

Four-Legged Race

Check that the Cubs can handle a Three-Legged Race before trying this variation.

Cubs in Sixes or teams of 4 or more. Number off each Six/team. Cubs compete in groups of 3, from each Six/team, at any one time. The first three members of each team line up, side by side, with the ankles of the centre Cub tied to the nearer ankles of the two 'outside' group members. On the signal, the first group from each team races to the turn line (end of hall) and back again. #1 then goes to the back of the team line, and #4 joins #2 & #3, on their right, so that #3 is now in the middle. Tie ankles and race as before. The race continues until all team members have had a turn in each position of the racing group (*i.e.* three 'trips'—pardon the pun! 😊).

Guarded Captive

One Cub is placed in the centre of the playing area, loosely bound with rope. This player is the Captive and is guarded by one Six/Team, the Guards, who are blindfolded and positioned a short distance (outside a 3 m circle) out from the captive. The rest of the Pack are the Rescuers, who stand encircling the playing area. The game must be played in silence. On the signal, the Rescuers try to creep through the Guards and untie the Captive to get him/her out past the Guards. If a Guard intercepts—by touch only—a Rescuer, the Rescuer is out. Rescuers can be intercepted either entering or leaving the circle. The Captive can only leave the circle with a Rescuer (who has not been intercepted). If a Guard intercepts a Guard, there is no penalty.

Chopsticks

Sixes/teams in relay formation, with their "batons" and ball, at one end of the hall, a plate for each Six/team at the other. On the signal, the first member of each Six/team must propel the ball along the floor to the plate, then lift it onto the plate, using only the "batons". The Cub then takes the ball and "batons" back to the next member of the team who repeats the exercise.

First Six/team, all members having had a turn, standing at attention and in a straight line, is the winner.

Human Caterpillar

Players in relay formation. The first player in each group stands with feet apart. The next bends over in the leap-frog position. Positions alternate in this way for each group. At the signal, the last player in each group crawls under the legs of the player in front, vaults over the next, and so on until he/she has reached the head of the line. This player then runs to other end of the hall, tags the wall, runs back, and joins the front of the line, standing with legs astride or in the leap-frog position as appropriate. Note however, that while the player is running to the end of the hall and back, the other players change their position (either from feet apart to leap-frog, or vice versa). As soon as he/she is back, the next player starts up the line in the same manner.

The game continues until all players have run. The first team finished, at attention in a straight line, is the winner.

Overtake

Cubs form a circle. Number off from 1—an even number of players is necessary. Even numbered Cubs in one team, odd numbered Cubs in the other. Give one ball to Cub #1 and another to the even-numbered Cub directly opposite. On the signal, Cubs pass the ball clockwise to the next member of their team (i.e. every second player) so that both balls travel in the same direction.

The object of the game is for one team to try to catch up and overtake the ball of the other team. If the ball is dropped, the person responsible must retrieve it, return to their position and pass the ball again.
