Duty Six: **Tawny**
- 19:10 Game **Fruit Salad**
Active Cubs in two teams, seated on floor facing each other, with legs
Indoor outstretched and feet touching. Each pair is given the name of a
piece of fruit. Leader then recounts a story that mentions all the
pieces of fruit (several times). As each piece of fruit is mentioned,
the Cubs assigned that name stand up, run behind the Cubs in their
team to the end of the hall, then, stepping over the outstretched
legs of the Cubs still on the floor, return to their place. If the leader
mentions Fruit Salad, all Cubs get up, run to the end of the hall
then return to their respective places, hopping over the legs of any
Cub already in place as they return.

Six/team picks up the ball/bean bag, places it between their knees,
and holds it there firmly as they hop to the other end of the hall
and back again, passing the ball/bean bag to the next player.
Continue until each team member has completed the course.

Silent Ball

Pack in a circle. A ball is thrown between players, across the circle, and never back to the thrower. The ball must be thrown so that it can be caught easily by the intended recipient. If the ball is thrown too high, too wide, too hard etc., or to someone who is out of the game, the thrower loses a life. If the catcher fails to catch a reasonable throw, the catcher loses a life. Everyone must also be silent throughout the game—any noise results in the loss of a life for the culprit. When there is any doubt about who is to lose a life, all players point to the player they think is at fault—majority rules. Each player usually gets three lives. On the loss of the first life, a player must go down on one knee, and continue playing in that position. On the loss of the second life, they go down on both knees. On the loss of the third life, they are out of the game and must sit quietly in their place in the circle until the conclusion of the game.

Last player in wins.

Broomstick Balance

Sixes in relay formation, each with a broom/broomstick/stick (something with a bit of weight on the (top) end is easier to balance). Balancing the broom/stick on their hand, the first Cub must run to the end of the hall and back. The broom/stick is passed to the next Cub, and so on, until all have had a turn. First Six finished (at attention, in a straight line) is the winner.

Try to balance the broomstick on the chin or forehead if Cubs can do it on their hands.
